

Privacy

Per the Legislative decree Art. 13.... Vintage Murano Gallery Srls informs its customers of the protection, recording and use of personal data sent during navigation, and during a purchase order on the website www.vintagemuranogallery.com.

During navigation on the site www.vintagemuranogallery.com, personal data are always anonymous, except if the customer decides not to communicate his personal data, or if he decides to log into his personal account using a username and password.

Personal data during a purchase order

During a purchase order, www.vintagemuranogallery.com collects, and processes personal data for the execution of the purchase order , or for potential complaints after purchase, and to provide the customer with available services. The data will be communicated only to our business partners such as banks, couriers, etc., in order to execute purchase orders.

Order data

The customers can see, at any time, on www.vintagemuranogallery.com, the data of purchase orders in progress, purchase orders executed, and they can also manage their personal data. The customers are instructed to preserve with extreme care their login data, password, and username of their personal account. The customer is considered the only one responsible for preserving login data such as the password and username of their personal account. Vintage Murano Gallery is not in any way responsible for an access violation the customer's personal

account, as the result of incorrect protection of the customer's login data.

Newsletter data

When customers sign up for the newsletter and provide their personal data at www.vintagemuranogallery.com, they give their consent for the use of such data for the sending of the newsletter from www.vintagemuranogallery.com. If the customer wishes to unsubscribe from the newsletter, he can go to www.vintagemuranogallery.com, and send an email to vintagemuranogallery@gmail.com requesting cancellation.

Acceptance agreement data

The customer browsing on the website www.vintagemuranogallery.com accepts entirely and fully the methods of management for their personal data as described above. It excludes any right of the customer to damages or compensation, and any contract or tort liability for direct or indirect damages to persons and / or property, caused by the rejection, even partial, of the management of his personal data described above.
